*The Norfolk Gallery Quire invite you to listen or join
in as we take a musical journey through the history of
Norfolk's Rural Churches*

Join us as we revive the lively music of the past, with period costume and instruments. We will end our tour in the lovely church of St Helen, Gateley where there will be a full sung evensong led by the Rev'd Robin Stapleford - who also sketched the churches.

This will be something rather special with some wonderful music from the village churches of Nelson's Norfolk.
